(examples of vendors are inspectors, lenders, title companies, home warranty companies, repair persons, attorneys, etc.)

VENDOR LIST

A vendor list may be available for you to access or names of vendors may be provided to you upon request. A vendor's name may be provided due to good experience with us or a referral from a person whose opinion we respect but should not be viewed as an assurance, guarantee or a recommendation of their service and/or product.

You are free to choose any vendor you wish without regard to any we may provide. You should know that the relationship you have with the vendor is between you and the vendor and we are not part of that relationship.

You are encouraged to do appropriate research and due diligence in selecting any vendor.

Thank you for the opportunity to serve you and please feel free to ask questions regarding this matter.
